

NWCCU Accreditation Commendations and Recommendations

Commendations:

1. The College is commended for adopting, in a fairly short timeframe, a strategic plan that includes assessment as one of six strategic directions, and for initiating a cultural shift to implement the plan and work toward new strategic outcomes.
2. The Assessment and Research Council is commended for its leadership, genuine enthusiasm and passion to identify what students are learning, and to use that information to improve the educational program.
3. The College is commended for beginning to integrate assessment into planning processes and budget decisions.
4. The College is commended for its strategic hires in a tight fiscal year to support eLearning and institutional research, two full-time positions that increase the institution's capacity to complete assessment work.

Recommendations:

No Outstanding Recommendations.
