

## Tumwater School District and SPSCC Dual Credit Options for Running Start | 2021-2022

Students should check with their high school counselor for the specific credits they need to complete in order to earn a high school diploma. Five college credits is equal to 1 high school credit. Application of credits toward graduation requirements is determined by the high school. Failure to meet with the high school counselor on a regular basis could result in not meeting these requirements.

High School Requirement	Needed HS Credit	Equiv. College Credit	SPSCC Course Options
<b>English</b>			
English 11	1	5	ENGL& 101
