

## Questions to Ask University Recruiters

Below is a list of questions that you can ask university recruiters at transfer fairs, admissions workshops and appointments. Show recruiters that you have done your homework: research your chosen schools ahead of time so that you can pick the most thoughtful questions.

1. Do you offer the major I am interested in studying? Is the major limited entry/competitive?
2. When is the application deadline? When will I be notified of acceptance? Does the major I am interested in pursuing have a separate application to be admitted into the major?
3. Am I considered a freshman or a transfer student? Which application do I fill out?
4. When is the deadline for the housing application? Are freshman or transfer students required to live on campus?
5. If I complete a Direct Transfer Agreement or Associate in Science, what other classes will be required for general education?
6. When will my financial aid award be completed?
7. When is the scholarship deadline? Are there any automatic scholarships that I will be eligible for just by applying to your school?
8. Are there research opportunities for undergraduates? What kinds of research?
9. What is campus culture like for students like me? What are the retention and graduation rates for students like me? (e.g. Students of Color, LGBTQ+, disabled, 1<sup>st</sup> generation)
10. What kinds of students are happiest at your school?
11. What academic programs are the most popular at your college? What sets your college apart from others?
12. What sets one applicant above others during the admissions process?
13. How would you describe the academic pressure and workload?
14. What services does your career center offer to current students and alumni? Who are some typical employers that hire your graduates? Is there job placement help for graduates?
15. How big are typical classes and how accessible are faculty outside of the classroom?
