

RAINER HIGH SCHOOL SPSCC Course Equivalencies 2025-2026

Students should check with their high school Counselor for the specific credits they need to complete. Course equivalency is set by the high school. Failure to meet with your high school Counselor on a regular basis could result in not meeting high school graduation requirements. High school credit is granted at a rate of 5 college credits to 1 high school credit.

High School & Beyond Plan			
<i>High School & Beyond Plan (HSBP) is a non-credit graduation requirement that must be completed in SchoolLinks. Running Start students who plan to earn an Associate Degree by graduation must take CCS 101 at SPSCC within the first two quarters of enrollment. CCS 102 or 103 is recommended to be taken the same quarter as CCS 101. The course content from the CCS classes supports the required tasks in SchoolLinks for the HSBP. Please see your High School Counselor for more information about HSBP requirements. Please see your Educational Planner for more information about the CCS courses. Non-degree seeking students must apply for a CCS waiver at SPSCC or they will be blocked from registration after their first two quarters.</i>
