Upon request, an employee will have the right to representation at all levels on any matter adversely affecting the employee's conditions of employment. Attendance at meetings or hearings during the union steward's non-work hours will not be considered as time worked. Union stewards shall not use state/College owned vehicles to travel to and from a work site to perform representational activities unless authorized by the College.

Employees will suffer no loss in pay for attending management scheduled meetings and hearings that are scheduled during the employee's core hours of work. Attendance at meetings or hearings during the employee's non-work hours will not be considered as time worked. If the amount of time an employee spends preparing for or attending meetings or hearings is unreasonably affecting the employee's ability to accomplish assigned duties, the College will notify and discuss the concerns with the employee, the Chief Steward and the Council Representative and may not release the employee. Use of State Facilities, Resources, and Equipment

C. Meeting Space and Facilities

The College's campuses and facilities may be used by the Union to hold meetings in accordance with College policy, availability of the space, and with prior written

authorization from the College.

D. Supplies and Equipment

The Union and employees shall not use state-purchased supplies or equipment to conduct union business or representational activities. This does not preclude the use of the telephone for representational purposes if there is no cost to the College, the call is brief in duration, and it does not disrupt or distract from the College's business.

E. E-mail, Fax Machines, and the Internet

The Union and employees will not use state-owned or operated e-mail, fax machines, or the Internet to communicate with one another regarding union business. Employees may use state-owned e-mail to request union representation. Union representatives and stewards may use state owned/operated equipment to communicate with the affected employees and/or the College for the exclusive purpose of administration of this Agreement to include electronic transmittal of grievances and responses in accordance with Article 31, Grievance Procedure. It is the responsibility of the sending party to ensure the material is received. Such use will be in accordance with Washington state law and:

F. The Union and its shop stewards will not use the above-referenced state equipment for union organizing, internal union business, advocating for or against the Union in an election or any other purpose prohibited by the Washington State Executive Ethics Board. 3.5 Bulletin Boards and Newsstands

The College will provide a designated bulletin board and space for the bulletin board for Union communication. Material posted on a bulletin board will be appropriate to the workplace, politically non-partisan, in compliance with state ethics laws, and clearly identified as Union literature. - D. Distribution will not occur more than once per month, unless agreed to in advance by the College.

3.7 Time Off for Union Activities

- A. Union-designated employees may request to be allowed time off without pay to attend union-sponsored meetings, training sessions, conferences, and conventions, and such requests will be granted, provided the absence of the employee(s) does not unreasonably interfere with the operating needs of the College as determined by management. If the requested absence is approved, employees may use leave, such as personal holiday or accrued vacation leave, instead of leave without pay.
- B. The Union will give the College a written list of the names of the employees it is requesting to attend the above-listed activities, at least fourteen (14) calendar days prior to the activity.

3.8 Temporary Employment with the Union

With thirty (30) calendar days' notice, unless agreed otherwise, employees may be granted leave without pay to accept temporary employment with the Union for a specified duration, not to exceed six (6) months, provided the employee's time off will not unreasonably interfere with the operating needs of the College as determined by management. The parties may agree to an extension of leave without pay up to an additional six (6) months. The returning employee will be employed in the same or a comparable position, provided such position is vacant or occupied by a temporary employee, and provided such reemployment is not in conflict with other articles in this Agreement. The employee and the College may enter into a written agreement regarding return rights prior to the commencement of leave.

3.9 College Committee Meetings

The College will continue its current practices requesting nominees from the Union to serve on College committees, where deemed appropriate. Time spent serving on College committees will be considered time worked. Both parties agree that college policies, should guide participation in such meetings.

3.10 WFSE Council President and Vice-President (if employed by the College)

A. Leave of Absence

Upon request of the Union, the College will grant leave with pay for the WFSE Council President and Vice-President for their term of office. The Union will give the College at least thirty (30) calendar days prior notice, unless otherwise agreed to in writing. The Union will reimburse the College for the “fully burdened costs of the positions” the College incurs as a result of placing the Council President and Vice-President on leave with pay during the period of absence. The Union will reimburse the College by the 20th of each month for the previous month.

B. Leave Balances

The President and Vice-President will accrue vacation and sick leave during the period of absence; however, when the President and Vice-President return to state service their leave balances will not exceed their leave balances on the date the period of absence commenced. If the President or Vice-President retire or separate from state service at the end of the period of absence, their leave balances will not exceed their leave balances on the date the period of absence commenced. Reporting of leave will be submitted to the College. All leave requests will be submitted within the required time limits.

C. Indemnification

The Union will defend, indemnify and hold harmless the College for any and all costs including attorney’s fees, damages, settlements, or judgments, or other costs, obligations, or liabilities the College incurs as a result of any demands, claims, or lawsuits filed against the College arising out of or in relation to actions taken by the President or Vice-President, or their status as President and Vice President, during the period of absence.

D. Return Rights

The President and Vice-President will have the right to return to the same or a comparable position, provided such position is vacant or occupied by a temporary employee, and provided such reemployment is not in conflict with other articles in this Agreement. The employee and the College may enter into a written agreement regarding return rights prior to the commencement of the leave.

3.11 Collective Bargaining Negotiations-Release Time

The Union will provide the College a written list of the employees serving on the collective bargaining agreement negotiations team in accordance with Section 3.8 B, above.

The College will approve paid release time for up to five (5) formal negotiations sessions for up to three (3) Union team members. If additional sessions are needed, the costs for release time will be split evenly between the parties.

A. Subject Matter Experts

Either party may invite subject matter experts to present information during formal negotiation sessions when pertinent topics are under negotiations for a time period agreed to by the parties. The Union will provide the Employer with

the names of the employee subject matter experts seven (7) calendar days prior to the identified negotiation session(s), unless mutually agreed otherwise. The Employer will release the Union-selected subject matter experts to attend formal negotiations if their absence(s) does not cause a disruption of work or impact operations. The Employer may approve compensatory time, vacation time, personal holiday, personal leave, or leave without pay for the subject matter expert to attend negotiation sessions, or at the discretion of the supervisor an employee may adjust their work schedule to present as a subject matter expert in negotiations. Attendance at the formal negotiations session(s) during the employee subject matter expert's non-work time will not be compensated for nor considered time worked.

B. Confidentiality/Media Communication

Formal negotiations sessions will be closed to the press and the public unless agreed otherwise by the Chief Negotiators. No proposal will be placed on the parties' websites or other public places such as bulletin boards. The parties are not precluded from communicating with their respective constituencies about the status of negotiations while they are taking place. There will be no public disclosure or public discussion of the issues being negotiated until resolution is reached on all issues submitted for negotiations.

The College will determine when a position will be filled, the type of appointment to be used when filling the position, and the knowledge, skills, and abilities necessary to perform the duties of the specific position. The College shall determine whether a position will be filled on a full-time or part-time basis. Consideration will be limited to individuals who have the knowledge, skills, abilities, and qualifications required for the position as determined by the appointing authority and/or designee.
- 6.2 **Types of Exempt Positions**
A. Regular or "Continuing" Exempt Positions
Regular or "continuing" exempt positions are positions that are established and funded on a continuing twelve-month period at either a full-time or a part-time level by the College. The College shall determine if an appointment to a

regular exempt position is made through an external competitive process, or an internal-only competitive process.

B. Temporary Exempt Position Appointments

Temporary exempt position appointments are appointments that are made to temporary positions for no more than a one-year period and are not expected to become regular “continuing” positions. Temporary positions are either full-time or part-time exempt positions funded for a twelve-month temporary period of up to one year. A temporary exempt position appointment may also be made to a regular exempt position that is temporarily open due to an incumbent’s incapacity or unavailability.

C. Project Exempt Positions

Project exempt positions are positions that are full-time or part-time twelve-month exempt positions supported on a short-term basis with grant, contract and/or the College’s reserve funds for the completion of a specific project. Exempt project positions will normally last only for as long as the funding is available but not beyond the duration of the project. Project positions and/or appointments may become regular appointments through an internal process, or an external competitive recruitment process at the determination of the appointing authority and/or designee.

6.3 Recruitment of Candidates

The College will determine the type of recruitment and selection methods to be used when filling a position.

A. Open Competitive Recruitment

Appointment to a regular, temporary, or project exempt position vacancy through an open competitive recruitment process which includes targeted external outreach and advertising of the open exempt position, designed to recruit a diverse and qualified candidate pool for vacant exempt positions.

1. Opportunities for Bargaining Unit Applicants

The College recognizes the importance of creating and maintaining opportunities for career advancement for qualified bargaining unit employees. When a bargaining unit position becomes available that the College intends to fill, the College will give consideration to qualified bargaining unit employees who have applied for the position. If there are qualified bargaining unit applicants for the position, the appointing authority and/or designee will invite them to participate in the initial interviews.

2. Opportunities for Eligible, Former Bargaining Unit Employees

Former Bargaining unit employees who are eligible will be given priority consideration and inclusion for purposes of internal applicant interviews, for a two-year period following the effective date of their eligibility. In order

to receive priority consideration, the employee must notify Human Resources at the time of their eligibility of the desire to maintain priority consideration status. An employee who has given such notice, who applies for a vacant bargaining unit position within two years of eligibility, and who is qualified for the position, will be given consideration (along with any other qualified bargaining unit applicants).

B. Internal-Only Recruitment

Appointing authorities and/or designee may request use of an internal-only recruitment process.

C. Temporary Appointments or Assignments

A temporary appointment or assignment may be filled by appointment at the College's discretion, outside the open or Internal-Only recruitment process. An Appointing Authority and/or designee, may request and the College may approve the extension of the temporary appointment for an additional six (6) months.

Temporary positions and/or assignments may not become a regular "continuing" appointment except through an open recruitment process.

6.4 Appointment Requirements

In keeping with the College's Background Check policy, the Appointing Authority, (or designee) who is authorizing the appointment is responsible for conducting any applicable reference and pre-employment background checks; and obtaining documentation of appointee's relevant qualifications, including transcripts, diplomas and credentials. It is the responsibility of the candidate/appointee to furnish requested documentation. Documentation will be retained in the Human Resources Office. In those cases where questions arise, the burden of proof concerning the validity of such documentation lies with the candidate/appointee, not the College.

Criminal system background checks required by either state law and/or college procedure will be conducted by the Human Resources Office.

6.5 Probationary Period

Upon hire the supervisor will review the expectations for the position with the employee. Priorities, duties and expectations will be monitored and reviewed regularly. The probationary period will be six (6) months of continuous employment from the date on which an employee starts employment in a regular exempt or project exempt position. The College may extend a probationary period beyond six (6) months, as long as the extension does not cause the total period to exceed twelve (12) months. If a probationary period is extended, a written explanation of the reason for the extension will be provided to the employee. If the extension is based on performance issues, the employee will receive a performance improvement plan.

The College may separate a probationary employee at any time during the probationary period (apart from any applicable return rights). The separation of a probationary employee will not be subject to the grievance procedure.

6.6 Appointment Duration

Appointments to exempt positions at the College will be offered a contract that lasts from their appointment until July 1 of the calendar year.

Notification of non-renewal of contracts will occur prior to May 1 of the calendar year.

ARTICLE 7

HOURS OF WORK AND OVERTIME

7.1 Overtime-Exempt Employees

Overtime-exempt employees are not covered by state or federal overtime laws. Compensation is based on the premise that overtime-exempt employees are expected to work as many hours as necessary to accomplish the job duties for which they were hired. Individual employees may have scheduled hours they are expected to work during the day and week, as determined by individual supervisors. The salary paid to overtime-exempt employees is full compensation for all hours worked. These employees are accountable for their work product, and for meeting the objectives of the College. The following applies to employees covered under this Agreement:

- A. The College determines the products, services, and standards that must be met by overtime-exempt employees.
- B. Overtime-exempt employees are expected to work as many hours as necessary to accomplish their assignments or fulfill their responsibilities and must respond to directions from management to complete work assignments by specific deadlines. Full-time overtime-exempt employees are expected to work a minimum of forty (40) hours per week. Part-time overtime-exempt employees are expected to work proportionate hours.
- C. Overtime-exempt employees may alter their assigned core hours of work with their Supervisor's approval. Employees are responsible for keeping their supervisor apprised of their schedules and whereabouts. Prior approval from the supervisor for the use of paid or unpaid leave for absences greater than two (2) or more hours is required, except for unanticipated sick leave. Occasional absences of less than two (2) hours do not require the use of paid or unpaid leave, however employees must inform their supervisor of those absences and receive approval to be away.

Due to the nature of overtime-exempt work, employees may occasionally work hours that do not allow for an ideal balance

between work and non- work time. When this occurs, employees may consult with their supervisors to adjust their work hours within the workweek, pay period, or month to accommodate a more appropriate balance between extended work time and offsetting time off. An employee's immediate supervisor or the supervisor's designee may approve overtime-exempt employee absences with pay for extraordinary or excessive hours worked, without charging leave.

7.2 Overtime-Eligible Employees

Workweeks will begin at 12:00 a.m. on Sunday and end at 12:00 midnight the following Saturday or as otherwise designated by the appointing authority. If there is a change in their workweek, employees will be given written notification by the appointing authority or his or her designee.
- H. Overtime
Overtime is defined as time that an overtime-eligible employee works in excess of forty (40) hours per workweek.

1. All time actually spent performing the duties of the assigned job.
2. Travel time required by the College during normal work hours from one work site to another or travel time prior to normal work hours to a different work location that is greater than the employee's normal home-to-work travel time and all travel in accordance with applicable wage and hour laws.

4. Sick Leave,

An employee whose workweek is less than forty (40) hours will be paid at their regular rate of pay for all work performed up to forty (40) hours in a workweek and paid at the overtime rate for authorized work more than forty (40) hours in a workweek.

7.4 Overtime-Eligible Employees Unpaid Meal Periods

The College and the Union agree to unpaid meal periods that vary from and supersede the unpaid meal period requirements required by WAC 296-126-092. Unpaid meal periods for employees working more than five (5) consecutive hours, if entitled, will be a minimum of thirty (30) minutes and will be scheduled as close to the middle of the work shift as possible, taking into account the College's work requirements and the employee's wishes. Employees working more than three (3) hours longer than a normal workday will be allowed an additional thirty (30) minute unpaid meal period. When an employee's unpaid meal period is interrupted by work duties, the employee will be allowed to resume their unpaid meal period following the interruption, if possible. In the event an employee is unable to complete the unpaid meal period due to operational necessity, the employee will be entitled to compensation, which will be computed based on the actual number of minutes worked within the unpaid

meal period. A portion of an unpaid meal period may occasionally be used for late arrival or early departure from work when approved by the supervisor and the remaining portion of the unpaid meal period is a minimum of thirty (30) minutes. Meal and rest periods will not be combined.

7.5 Overtime-Eligible Employees Paid Meal and Rest Periods for Straight Shift Schedules

The College and the Union agree to paid meal periods that vary from and supersede the paid meal period requirements of WAC 296-126-092. Employees will be allowed rest periods of fifteen (15) minutes for each one half (1/2) shift of four hours worked at or near the middle of each one half (1/2) shift of four or more hours. Rest periods do not require relief from duty. Where the nature of the work allows employees to take intermittent rest periods equivalent to fifteen (15) minutes for each one half (1/2) shift, scheduled rest periods are not required. Rest periods may not be used for late arrival or early departure from work and rest and meal periods will not be combined.

7.6 Overtime-Eligible Employees Rest Periods

The College and the Union agree to rest periods that vary from and supersede the rest periods required by WAC 296-126-092. Employees will be allowed rest periods of fifteen

(15) minutes at or near the middle of each one half (1/2) shift of four (4) or more hours. Rest Periods do not require relief from duty. Where the nature of the work allows employees to take intermittent rest periods equivalent to fifteen (15) minutes for each one half (1/2) shift, scheduled rest periods are not required. Rest periods may not be used for late arrival or early departure from work and rest and meal periods will not be combined.

7.7 Overtime-Eligible Employees – Positive Time Reporting

Overtime-eligible employees will accurately report time worked in accordance with a positive time reporting process as determined by the College.

7.8 Compensatory Time for Overtime-Eligible Employees

A. Compensatory Time Eligibility

The College may grant compensatory time in lieu of cash payment for an overtime- eligible employee, upon agreement between the College and the employee. Compensatory time must be granted at the rate of one and one-half (1-1/2) hours of compensatory time for each hour of overtime worked.

B. Maximum Compensatory Time

Employees may accumulate no more than one hundred and sixty (160) hours of compensatory time.

C. Compensatory Time Use

An employee must use compensatory time prior to using vacation leave unless this would result in the loss of their vacation leave or the employee is using vacation leave for Domestic Violence Leave. Compensatory time must be used and scheduled in the same manner as vacation leave. Employees may use compensatory time for leave as

required by the Domestic Violence Leave Act, RCW 49.76. The College may schedule an employee to use his or her compensatory time with seven (7) calendar days' notice.

D. Compensatory Time Cash Out

1. All compensatory time must be used by June 30th of each year. If compensatory time balances are not scheduled to be used by the employee by April of each year, the supervisor will contact the employee to review their schedule. The employee's compensatory time balance will be cashed out every June 30th or when the employee separates from the College. The College may continue its current practice with respect to compensatory time cash out when the employee transfers to another position.
2. As an exception to 7.8 D. 1 above, an appointing authority or their designee may allow an employee to carry forward up to twenty-four (24) hours of compensatory time past June 30th when the compensatory time was earned during the months of May and June and the employee's workload does not allow them to take time off.

7.9 Overtime Eligible Employees Work Schedules

A. Regular Work Schedules

1. The regular work schedule for overtime-eligible employees will not be more than forty (40) hours in a workweek, with two (2) consecutive days off and starting and ending times as determined by the requirements of the position and the College. The College may adjust the regular work schedule with prior notice to the employee as described below. If the Employer extends an employee's daily work schedule on any given day, the Employer will not adjust another workday or the employee's workweek to avoid the payment of overtime. The provision will not apply when the employee requests they adjust their hours within the workweek and works no more than forty (40) hours within the workweek.

B. Alternate Work Schedules

1. Workweeks and work shifts of different numbers of hours may be established for overtime-eligible employees by the College in order to meet business and customer service needs, as long as the alternate work schedules meet federal and state law. Employees may request alternative work schedules and the College may

approve the request if the College believes the requested alternate schedule complies with business and customer service needs.

C. Schedule Changes

1. Temporary Schedule Changes

Employees' workweeks and/or work schedules may be temporarily changed with prior documented written work schedule change notice from the College and a copy provided to the employee. A temporary schedule change is defined as a change lasting twenty-one (21) calendar days or less. Overtime-eligible employees will receive twenty-eight (28) calendar days' written notice of any temporary schedule change. The day that notification is given is considered the first day of notice. Notice will normally be given to the affected employees during their scheduled working hours. If any affected employee is on extended leave, notice may be sent to the employees' last known address. Adjustments in the hours of work of daily work shifts during a workweek do not constitute a temporary schedule change.

2. Permanent Schedule Changes

Employees' workweeks and work schedules may be permanently changed with prior documented written work schedule change notice from the College and a copy provided to the employee. Overtime-eligible employees will receive twenty-eight (28) calendar days' written notice of permanent schedule change. The day notification is given is considered the first day of notice. Notice will normally be given to the affected employee during their scheduled working hours. If an affected employee is on extended leave, notice may be sent to the employee's last known address. Adjustments in the hours of work of daily work shifts during a workweek do not constitute a permanent schedule change.

3. Emergency Schedule Changes

The College may adjust an overtime-eligible employee's workweek and work schedule without prior notice in emergencies or unforeseen operational needs.

4. Employee Requested Schedule Changes

Overtime-eligible employees' workweeks and work schedules may be changed at the employee's request and with the

College's approval, provided the Employer's business and customer service needs are met and no overtime expense is incurred.

ARTICLE 8

TRAINING AND EMPLOYEE DEVELOPMENT

Training and employee development opportunities will be provided to employees in accordance with College policies, available resources, and employee training needs.

8.2 Attendance at College-required training will be considered time worked. The College will make reasonable attempts to schedule College-required training during an employee's core work hours. The College will pay the registration and associated travel costs in accordance with Article 24, Travel and Per Diem, for College-required training.

8.3 Collective Bargaining Agreement Training

A. The Union will provide training to employees covered under this Agreement. Employees will be released with pay on one (1) occasion for up to two (2) hours to attend the training related to this Agreement. The Union will notify the Human Resources Office, in writing, at least fourteen (14) calendar days prior to the date and time for training related to this Agreement.

C. The College will provide training to managers and supervisors on this Agreement.

8.4 Training or Professional Development Opportunities

Employees and supervisors will identify training and professional development opportunities that support the mission of the College, the employee's position and duties, and the professional development of the employee. If resources are available and business needs allow, identified opportunities may be distributed or posted and will be granted to employees during core work hours. If resources have not been allocated to pay for such opportunities, employees will have the option of paying for the opportunities themselves and may be allowed to attend and participate during core work hours, provided such participation does not unreasonably interfere with business needs.

8.5 New Employee Orientation and Access to New Employees

- A. The College will provide the Union reasonable access to new employees to present information about the employee's bargaining unit for thirty (30) minutes in duration. Reasonable access means:
1. Access to new employees will occur with ninety (90) calendar days of the employee's start date in the bargaining unit,
 2. During the new employee's regular work hours, and
 3. At the employee's regular worksite (i.e., the Mottman Campus or the Lacey Campus).
- B. When the College schedules a new employee orientation program, the Union's Council Representative and Chief Shop Steward will be given as much advance notice as possible of the date and time when an orientation is scheduled. A representative from the Union will be provided access to new employees during new employee orientation in accordance with Article 8.5 A above.
- C. When the College provides a new employee orientation online, the College agrees to provide each new employee with an orientation package provided by the Union. In addition, at a time and location mutually agreed to by the College and the Union, the Union will be provided access to new employees in accordance with Article 8.5 A above.

8.6 Professional Associations and Conferences

The College will consider and may grant requests to fund enrollment in professional associations or to attend conferences. Such consideration by the College will be dependent on available resources, the benefit to the College of membership and participation, and whether participation unreasonably interferes with business needs of the College. However, the College will pay for at least two institutional memberships in Professional Association for the College. In addition, the College will provide a minimum of \$20,000 every fiscal year for bargaining unit members' attendance at conferences, those funds will include total costs including travel, lodging, registration and all other costs associated with the conference, exclusive of wages and employment benefits. Conference attendance must be approved by the College.

Nothing precludes the College from providing more funding for this purpose for professional development.

ARTICLE 9

9.2 Notification to Employees

The College will inform, in writing, new, transferred, promoted, or demoted employees prior to appointment into positions included in the bargaining unit(s) of the Union's exclusive representation status. 9.4 An employee may revoke their authorization for payroll deduction of payments to the Union by written notice to the Union in accordance with the terms and conditions of their signed membership card. 9.5 Voluntary Deduction

- A. **PEOPLE (Public Employees Organized to Promote Legislative Equality)** The College agrees to deduct from the wages of any employee who is a member of the Union a PEOPLE deduction as provided for in a written authorization. Such authorization must be executed by the employee and may be revoked by the employee at any time by giving

ARTICLE 10

PERFORMANCE EVALUATION

10.1 Purpose

The purpose of the performance evaluation is to exchange information about the employee's performance and to adjust or refine the goals and expectations of the position and the professional goals of the employee. The exchange of information is intended to contribute to the development of the employee.

Regular communication between the employee and their supervisor should address strengths, accomplishments, and/or failure to meet expectations related to the employee's performance. Any critical aspects of the evaluation should not come as a surprise to the employee. The evaluation is not a substitute for regular communication, rather, a structured complement to it.

10.2 Process

- A. An employee will receive at least one (1) performance evaluation at or near the end of their first year of employment. Thereafter, an employee will receive a performance evaluation at least every year. Any evaluation cycle for which an employee is not evaluated will be construed to mean the employee has performed satisfactorily.
- B. The evaluation will be conducted by a supervisor, generally the immediate supervisor.
- C. The employee will be provided an opportunity to contribute a self-evaluation, reflecting on the employee's goals and achievements.
- D. The evaluation process will include the opportunity for a face-to-face meeting between the employee and the supervisor conducting the evaluation to discuss expectations and goals for the next evaluation period.
- E. At the time the performance evaluation is administered, the employee's position description will be reviewed to ensure that expectations and goals align with the position description.
- F. Following any face-to-face meeting, the supervisor will provide a written evaluation of the employee. The employee will be provided an

opportunity to provide a written response, to be included in the personnel file with the evaluation, to the supervisor's written comments.

- G. If an employee has been fully or partially exonerated of a specific discipline resulting from misconduct through the disciplinary grievance procedure, via a settlement agreement, or as a result of arbitration instruction(s), or if the Employer determines that allegations of misconduct are false in whole or in part, reference(s) to the specific discipline in the performance evaluation will be redacted. If the Employer fails to redact the specific reference(s) to the discipline that has been exonerated, the failure to redact the reference(s) is subject to the grievance procedure up to Step 2.
- H. Performance evaluations will not be used to initiate personnel actions such as transfer, promotion, or discipline.

10.3 Retention of Performance Evaluations

Employees may submit a written request to have an evaluation removed from the personnel file after a period of three (3) years.

10.4 Review of Position Descriptions

At the time the performance evaluation is administered, the employee's position description will be reviewed, and if deemed appropriate by the supervisor, will be revised to assure that expectations, goals, and job duties align with the position description. If the employee's job duties significantly change prior to the employee's next performance evaluation, a review of the position description may be requested by the employee or the employee's supervisor through the Human Resources Office.

10.5 Grievability

The specific content of a performance evaluation is not subject to Article 31, Grievance Procedures, except as provided in Article 10.2.G.

ARTICLE 11

EMPLOYEE FILES

- 11.1** The College will maintain one (1) official personnel file for each employee. Human Resources Office will maintain the personnel file. This will not preclude the maintenance of all lawful files and records as needed by the College. Additional employee files may include supervisory files, attendance files, payroll files, and medical files. All references to "supervisory file" in this Agreement refer to a file kept by the employee's direct supervisor.

- 11.2** Each employee has the right to review their personnel file, supervisory file, attendance file, payroll file and medical file. The College will determine the location of all employee files. An employee may arrange to examine their own employee files on work time. Written authorization from the employee is required before any representative of the employee will be granted access to employee files. Review of employee files will be in the presence of a College representative during business hours. The employee and/or representative may not remove any contents. The College may charge a reasonable fee for copying any materials beyond the first copy requested by the employee or their representative.
- 11.3** An employee may insert a reasonable amount of job-related material in their personnel file that reflects favorably on their job performance. An employee may provide a written rebuttal to any information in the files that the employee considers objectionable.
- 11.4** Adverse material or information related to alleged misconduct that is determined to be false, and all such information in situations where the employee has been fully exonerated of wrongdoing, will be promptly removed from the employee's files. The College may retain this information in a legal defense file in accordance with RCW 41.06.450.
- 11.5** When documents in an employee file are the subject of a public disclosure request under RCW 42.56, the College will provide the employee with a copy of the request at least ten (10) calendar days in advance of the intended release date.
- 11.6** Employees will be provided a copy of all adverse material at the time the materials are included in the personnel file.
- 11.7** Information in employee files will be retained only as long as it has a reasonable bearing on the employee's job performance or upon the efficient and effective management of the College.
- 11.8** Anonymous material, not otherwise substantiated, will not be placed in an employee file.
- 11.9** The College will ensure the security and confidentiality of employee files.
- 11.10** Medical files will be kept separate and confidential in accordance with state and federal law.
- 11.11** Supervisory files will be purged of the previous year(s)' job performance information following completion of the performance evaluation cycle, unless there is pending litigation or disciplinary action that the supervisor believes warrants retention of the information.

11.12 Removal of Documents

- A. Records of disciplinary actions will be removed from the official personnel file after three (3) years if:
 - 1. There has been no subsequent discipline;
 - 2. There is no pending discipline or litigation for which the disciplinary action is considered relevant by the College;
 - 3. The employee submits a written request for its removal.

Nothing in this Section will prevent the College from agreeing to an earlier removal date, unless to do so would violate RCW 41.06.450.

Where Employers have approved the transfer of leave by an employee of another state agency/higher education institution or school district/educational service district to an employee of another state agency/higher education institution or school district/educational service district, the parties involved will arrange for the transfer of funds and credit for the appropriate value of leave in accordance with Office of Financial Management policies, regulations, and procedures.
- E. Leave transferred under this Section will not be used in any calculation to determine the Employer's allocation of full-time equivalent staff positions.
- F. Any shared leave not used by the recipient will be returned to the donor(s). Before returning unused leave:
 - 1. The College will obtain a statement from the receiving employee's doctor verifying whether the employee's injury or illness is resolved; or

The shared leave returned will be prorated back based on the donor's original donation.

ARTICLE 17 FAMILY AND MEDICAL LEAVE

- 17.1** A. Consistent with the federal Family and Medical Leave Act of 1993 (FMLA) and any amendments thereto and the Washington State Family Leave Act (WFLA), an employee who has worked for the state for at least twelve (12) months and for at least one thousand two hundred fifty (1,250) hours during the twelve (12) months prior to the requested leave is entitled to up to twelve (12) workweeks of family medical leave in a twelve (12) month period for one or more of the following reasons 1 - 4:
1. Parental leave for the birth and to care for a newborn child, or placement for adoption or foster care of a child and to care for that child;
 2. Personal medical leave due to the employee's own serious health condition that requires the employee's absence from work;
 3. Family medical leave to care for a spouse, child, parent or state registered domestic partner as defined by RCW 26.60.020 and 26.60.030 who suffers from a serious health condition that requires on-site care or supervision by the employee. Because the FMLA does not recognize state registered domestic partners, an absence to care for an employee's state registered domestic partner in accordance with the WFLA will not be counted towards the twelve (12) workweeks of FMLA;
 4. Family medical leave for a qualifying exigency when the employee's spouse, child of any age or parent is on active call to active duty status in

the Armed Forces, the Reserves or National Guard for deployment to a foreign country.

Qualifying exigencies include attending certain military events, arranging for alternate childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

5. Military Caregiver Leave will be provided to an eligible employee who is the spouse, child of any age, parent or next of kin of a covered service member. Eligible employees may take up to twenty-six (26) workweeks of leave in a single twelve (12) month period to care for the covered service member or veteran who is suffering from a serious illness or injury incurred in the line of duty.

During the single twelve (12) month period during which Military Caregiver Leave is taken the employee may only take a combined total of twenty-six (26) workweeks of leave for Military Caregiver Leave and leave taken for other FMLA qualifying reasons.

The single twelve (12) month period to care for a covered service member veteran begins on the first day the employee takes leave for this reason and ends twelve (12) months later, regardless of the twelve (12) month period established for other types of FMLA leave.

- B. Entitlement to family medical leave for the care of a newborn child or newly adopted or foster child ends twelve (12) months from the date of birth or the placement of the foster or adopted child.
- C. The one thousand two hundred fifty (1,250) hour eligibility requirement noted above does not count paid time off such as time used as vacation leave, sick leave, personal holidays, shared leave, holidays, or any other form of paid time off.

17.2 The family medical leave entitlement period will be a rolling twelve (12) month period measured forward from the date an employee begins family medical leave. Each time an employee takes family medical leave during the twelve (12) month period, the leave will be subtracted from the twelve (12) workweeks of available leave.

17.3 The College will continue the employee's existing College-paid health insurance benefits during the period of leave covered by family medical leave. The employee will be required to pay their share of health care premiums. The College may require an employee to exhaust all paid leave prior to using any leave without pay, except that the employee will be allowed to use eight (8)

hours a month of accrued leave during each month to provide for the continuation of benefits as provided for by the Public Employees Benefit Board.

17.4 The College has the authority to designate absences that meet the criteria of family medical leave.

- A. The use of any paid or unpaid leave (excluding leave for compensable work-related illness or injury) for a family medical leave-qualifying event will run concurrently with, not in addition to, the use of the family medical leave for that event. An employee, who meets the eligibility requirements listed in Subsection 17.1, may request family medical leave run concurrently with absences due to work-related illness or injury covered by workers' compensation at any time during the absence. Employees will not be required to exhaust all paid leave prior to using any leave without pay for a compensable work-related injury or illness.
- B. An employee using paid leave during a family medical leave qualifying event must follow the notice and certification requirements relating to family medical leave usage in addition to any notice requirements relating to the paid leave.

17.5 Parental Leave

- A. Parental leave will be granted to the employee for the purpose of bonding with their natural newborn, adoptive or foster child. Parental leave may extend up to six (6) months, including time covered by family medical leave, during the first year after the child's birth or placement. Leave beyond the period covered by family medical leave or leave without pay and pregnancy disability may only be denied by the College due to operational necessity. Such denial may be grieved beginning at the top internal step of the grievance procedure in Article 31 Grievance Procedure.
- B. Parental leave may be a combination of the employee's accrued vacation leave, sick leave for pregnancy disability or other qualifying events, personal holiday, or leave without pay. Parental leave may be taken on an intermittent or reduced schedule basis in accordance with Subsection 17.5 A.

17.6 Pregnancy Disability Leave

- A. Leave for pregnancy or childbirth related disability is in addition to any leave granted under FMLA or WFLA.
- B. Pregnancy disability leave will be granted for the period of time an employee is sick or temporarily disabled because of pregnancy and/or childbirth. An employee must submit a written request for disability leave due to pregnancy and/or childbirth in accordance with College policy. An employee may be required to submit medical certification or verification for the period of the disability. Such leave due to pregnancy and/or

childbirth may be a combination of sick leave, vacation leave, personal holiday, compensatory time, shared leave and leave without pay. The combination and use of paid and unpaid leave will be the choice of the employee.

- 17.7 The College may require certification from the employee's, family member's, or covered service member's health care provider for the purpose of qualifying for family medical leave.
- 17.8 Personal medical leave, serious health condition leave, or serious injury or illness leave covered by family medical leave may be taken intermittently or on a reduced schedule basis when certified as medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the College's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.
- 17.9 Upon returning to work after the employee's own family medical leave-qualifying illness, the employee may be required to provide a fitness for duty certificate from a health care provider.
- 17.10 The employee will provide the College with not less than thirty (30) days' notice before family medical leave is to begin. If the need for the leave is unforeseeable thirty (30) days in advance, then the employee will provide such notice as is reasonable and practicable.
- 17.11 An employee returning from family medical leave will have return rights in accordance with FMLA and WFLA.
- 17.12 Both parties agree that nothing in this Agreement will prevent an employee from filing a complaint regarding FMLA with the Department of Labor or regarding the WFLA with the Department of Labor and Industries.
- 17.13 Definitions used in this article will be in accordance with the FMLA and WFLA. The College and the employees will comply with any applicable state and federal family medical leave act regulations and/or interpretations in effect during the term of this agreement.
- 17.14 **Washington Family and Medical Leave Program effective January 1, 2020**
The parties recognize that the Washington State Family and Medical Leave program (RCW 50A.04) is in effect beginning January 1, 2020 and eligibility for and approval for leave for purposes as described under that Program shall be in accordance to RCW 50A.04. In the event the legislature amends all or part of the RCW 50A.04, those amendments are considered by the parties to be incorporated herein. In the event the legislature repeals all or part of RCW 50A.04, those provisions repealed are considered by the parties to be expired and no longer in effect upon the effective date of the repeal.

Solutions to identified issues/concerns will be implemented within available resources.

23.7 Safety Training

The College, through the Safety and Health Committee, will identify training needs and available resources to address safety issues. Safety and health training programs will emphasize safe workplace practices and injury prevention. Training will be made available to employees and attendance will be considered time worked.

23.8 Vaccinations

The College will, at no cost to the employee, make vaccinations and testing recommended by OSHA or WISHA available to employees whose duties put them at risk of occupational exposure to infectious agents.

23.9 Air Quality

Employees who feel their workplace is negatively impacted by air quality are encouraged to report their concerns. Employees and the College will work together to identify means to address such concerns in accordance with the College's air quality policy.

ARTICLE 24 TRAVEL ND PER DIEM

24.1 Reimbursement

Employees required to travel in order to perform their duties will be reimbursed for any authorized travel expenses (e.g., mileage and/or per diem), in accordance with the regulations established by the Washington State Office of Financial Management (OFM), College policy, and the following provisions:

- A. Employees who properly request reimbursement and are denied will, upon request, be provided with an explanation of the denial based on the provisions of the State's Administrative and Accounting Manual (SAAM) and/or College policy; and

- B. Properly completed and authorized reimbursements will be processed and paid no later than ten (10) days after receipt of the properly completed Travel Expense Voucher.
- C. The College may prepay for flight and hotel costs related to any Employer mandated travel.
- D. Employees in positions that require extensive travel will be offered training on the proper procedures for submitting travel vouchers.

ARTICLE 25

COMMUTE TRIP REDUCTION, TELEWORK AND PARKING

- 25.1** The College encourages but does not require employees to use alternate means of transportation to commute to and from work consistent with the Commute Trip Reduction (CTR) law and the needs of the College and the community.
- 25.2** Flexible work hours and/or telecommuting arrangements may be requested. Approval of flexible work hours and/or telecommuting arrangements is at the sole discretion of management and is reviewed on a case-by-case to ensure the needs of the College are met. Request for Flexible Work Hours and/or telecommuting must be submitted in writing to the direct supervisor on the Telework agreement. Approval for flexible work hours and/or telecommuting must be approved by the direct supervisor, Dean, the appropriate Vice President, and reviewed by the Executive Team per SPSCC policy.
- 25.3** Telework: Teleworking is a business practice that benefits the State of Washington, employees, the economy, and the environment. Telework is a tool for reducing commute trips, pollutants, energy consumption, and our carbon footprint. Telework may result in economic, organizational, and employee benefits such as increased productivity and morale, reduced use of sick leave, reduced parking needs and office space. Telework contributes to work/life balance.
 - A. Telework is the practice of using mobile technology to perform required job functions from home, a satellite location, or another management-approved location.
 - B. Position Eligibility: The Employer reserves the right to determine if a position's duties are eligible for telework and the frequency of teleworking. With at least seven (7) calendar days' notice, the Employer may revise or rescind a position's eligibility for telework due to changing business conditions or students' needs. The College may require an employee to attend meetings in person or come to the office/field on an approved telework day. *However, such requirements*

will be rare, will include the 7-day notice, and will be documented.

- C. **Telework Requests and Agreements:** An employee may submit a written request to their Employer for approval to telework in accordance with College policy and the College will provide a written response within fourteen (14) calendar days. The Employer may consider an employee's request to telework in relation to the objectives of Executive Order 16-07, "*Building a Modern Work Environment*," and the College's policies and operating, business, and customer need. The College will document and maintain approved telework requests via the College's telework agreement. Employees may appeal a denied request through their Appointing Authority. Approved telework plans shall terminate upon transfer to a new division or work unit. Transferring employees wishing to continue telework must submit a new request. The telework agreement, and any modifications, must be kept on file at the primary worksite and in the employee's official personnel file.

- D. **Changes to Existing Telework Agreement:** The College reserves the right to reduce, modify, or eliminate an employee telework agreement based on business needs or if there are performance and/or attendance concerns, to include not complying with the terms of a telework agreement. Except for instances where the modification of a telework agreement is for performance and/or attendance issues, the College will address modifications to a telework agreement with the employee at a minimum of seven (7) calendar days prior to making those modifications. The College is not responsible for costs, damages, or losses resulting from cessation of participation in a telework agreement.

25.4 Definition – Telecommuting/Alternative Work Schedule

A work arrangement in which some or all of the work is performed at an off-campus work site such as the home or an office space near home/or outside of the home. Communication may be by one of several means, such as online via internet, phone, zoom, teams, or other technological means at the time. Equipment must be owned and maintained by the college.

Hours of work are arranged and maintained by the employer and discussed with the employee. There may be alternative schedules that have variations in daily beginning and ending work time periods, which may occasionally include evening hours. All the schedules (weekly) need to comply with the state and federal wage and hour laws.

25.5 The College will provide commute trip reduction incentives within available resources.

- 25.6** Employees will be eligible to park in designated college parking areas in accordance with the College's policies. The College may establish and assess fines for violations of motor vehicle and parking regulations, order the removal of vehicles parked in violation of regulations at the expense of the violator, and seek collection of any unpaid fines

ARTICLE 26

RESIGNATION AND ABANDONMENT

26.1 Voluntary Resignation

The College may permit an employee to withdraw their resignation at any time prior to the effective date of the resignation.

26.2 Unauthorized Absence/Abandonment

When an employee has been absent without authorized leave and has failed to contact the College for a period of three (3) consecutive scheduled work days, the employee is presumed to have resigned from their position. The College will make reasonable attempts to contact the employee to determine the cause of the absence. Such reasonable attempts will include calling the employee at their contact phone number and any emergency contacts on file with the College.

26.3 Notice of Separation

When an employee's resignation is presumed in accordance with Subsection 26.2, the College will separate the employee by sending a separation notice to the employee by certified mail to the last known address of the employee. Such notice will include information regarding eligibility for continuation of medical benefits.

26.4 Petition for Reinstatement

An employee who has received a separation notice in accordance with Subsection 26.3, may petition the College in writing to consider reinstatement. The petition must be received by the College or postmarked within seven (7) calendar days after the separation notice was deposited in the United States mail.

26.5 Grievability

The College's denial of a petition for reinstatement related to Subsections 26.2, 26.3, and 26.4 is grievable. The grievance shall not be based on information other than that shared with the College at the time of the petition for reinstatement.

ARTICLE 27

PRIVACY AND OFF-DUTY CONDUCT

- 27.1** Employees have the right to confidentiality related to personal information and personnel issues to the extent provided/allowed by law. The College, the Union and the employees will take appropriate steps to maintain such confidentiality.
- 27.2** The off-duty activities of an employee may be grounds for disciplinary action if said activities are a conflict of interest as set forth in RCW 42.52, are detrimental to the employee's work performance, to the program of the College, or otherwise constitutes just cause.
- 27.3** An employee will report all arrests and court-imposed sanctions that affect the employee's ability to perform assigned duties, including the ability to be in attendance at work, to the Human Resources Office or the Appointing Authority prior to the start of their next scheduled work shift.

ARTICLE 28

MANDATORY SUBJECTS

- 28.1** Where required by law, and where there has been no waiver of bargaining requirement, the College will satisfy its collective bargaining obligation before changing a mandatory subject matter. The College will provide written notice to the Executive Director of the Union at MandatoryNotice@wfse.org, which will identify the proposed changes. Thereafter, the Union may request discussions about and/or negotiations of the impact(s) of the changes on employees' working conditions within twenty-one (21) calendar days of the Union's receipt of the notice from the College. The Union will provide written notice of any demands to bargain to the Executive Human Resource Officer. The Union's request for bargaining will identify any known impacts to bargain.
- 28.2** The parties will agree to the location and time for the discussions and/or negotiations. In the event the Union does not request discussions and/or negotiations within twenty-one (21) calendar days of the Union's receipt of the notice from the College, the College may implement the changes without further discussions and/or negotiations. Upon completion of good-faith discussions and/or negotiations, but no later than sixty (60) calendar days following a request from the Union to bargain, the College may implement the intended changes, unless timeline is mutually modified in writing.
- 28.3** Each party is responsible for choosing its own representatives for demand to bargain meetings. The College will approve paid release time for up to three (3)

employee representatives who are scheduled to work during the time a demand to bargain meeting is convened, provided the absence of the employee will not unreasonably interfere with the operating needs of the College. The College may approve compensatory leave, vacation leave or leave without pay for additional employee representatives provided the absence of the employee will not unreasonably interfere with the operating needs of the College. For overtime- eligible employees, no overtime will be incurred as a result of negotiations and/or preparation for negotiations.

- 28.4** The Union will be responsible for paying any travel or per diem of employee representatives. Employee representatives may not use a state/College vehicle to travel to and from a bargaining session, unless authorized by the College.
- 28.5** There may be emergency or mandated conditions that are outside of the College's control requiring immediate implementation, in which case, the College will notify the Union as soon as possible, and the provisions in Subsections 28.1, 28.2, 28.3, and 28.4 will apply. If necessary, the College may implement the emergency or mandated conditions prior to the completion of any discussions and/or negotiations requested by the Union.

ARTICLE 29

UNION-MANAGEMENT COMMITTEE

29.1 Union-Management Committee

The goal of the Union-Management Committee is to support a constructive and cooperative relationship between the parties. To promote and foster such a relationship, the Union- Management Committee will be established. Ad hoc committees may be established by mutual agreement. The purpose of the committee is to provide communication between the parties, to share information, to address concerns and to promote constructive union-management relations.

29.2 Committees

Either party may propose items for discussion on topics which may include, but are not limited to: administration of the Agreement, changes to applicable law, legislative updates, resolving workplace problems and/or organizational change.

The committee will meet, discuss and exchange information on issues of a group nature rather than individual interest or concern and general interest to both parties. Individual grievances properly processed under the Grievance Procedure Article will not be discussed during the committee meetings.

A. Composition

The College and the Union will be responsible for the selection of their own representatives. The committee will consist of up to three (3) employer representatives and up to three (3) employee representatives. If agreed to by both parties, additional representatives may be present.

B. Participation

The Union will provide the College the names of their committee members at least ten (10) calendar days in advance of the date of the meeting in order to facilitate the release of the employees. The College will release employee representatives to attend pre-meetings and/or committee meetings if their absences do not cause an unreasonable disruption of work. Attendance at meetings during employees' non-work time will not be compensated for nor be considered time worked.

- C. The Union is responsible for paying any travel or per diem expenses of employee representatives. Employee representatives may not use state/College vehicles to travel to and from union management committee meetings or pre-meetings unless approved by the College.

D. Meetings

All committee meetings will be held two (2) times per year on mutually agreeable dates and times. A written list and description of agenda items will be exchanged seven (7) calendar days in advance of the meeting date. Additional agenda items may be added by mutual agreement. Each party may keep written records of the meetings, including listing the topics discussed and disposition of each. The parties may post or distribute their own records of the meetings. If the topics discussed require follow-up by either party, it will be documented and communication will be provided by the responsible party.

E. Scope of Authority

The committee will have no authority to conduct any negotiations or modify any provision of this Agreement. Nothing prohibits the parties from memorializing mutual understandings. The committee's activities and discussions will not be subject to the grievance procedure in Article 31 Grievance Procedure.

ARTICLE 30

CORRECTIVE ACTION, DISCIPLINE, AND DISCHARGE

30.1 The College will not discipline any employee covered by this Agreement without just cause. The College also has the authority to discharge an employee for legitimate performance reasons, without prior discipline.

30.2 Corrective action is not discipline and is focused on improving the employee's performance, attendance or conduct. Corrective opportunities for improvement of legitimate performance deficiencies may include, but are not limited to, coaching, counseling, and written notification regarding failure to meet expectations. Any such corrective actions will be identified as such, documented and placed in the supervisor's file with a copy to the employee, and are subject to removal from

the supervisor's file consistent with Article 11.11. Corrective action may not be challenged through the grievance procedure.

30.3 Disciplinary actions include oral reprimands, written reprimands, suspensions and discharges.

A. Oral reprimands will be identified as discipline, documented and placed in the supervisor's file with a copy to the employee, and are subject to removal from the supervisor's file consistent with Article 11.11. Records of oral reprimands are not retained in the official personnel file, may only be processed through Step 2 of the grievance procedure, and thus cannot be arbitrated.

B. Written reprimands and records of suspensions and discharges will be provided to the employee with a copy to the official personnel file. Written reprimands and records of suspensions and discharges will be removed from the official personnel files consistent with Article 11.12.

30.4 The College has the authority to impose discipline, which is then subject to the grievance procedure set forth in Article 31, Grievance Procedure. Written reprimands, however, may be processed only through Step 2 of the grievance procedure.

30.5 When disciplining an employee, the College will make a reasonable effort to protect the privacy of the employee.

30.6 The College has the authority to conduct investigations in accordance with college policy.

A. The College will inform the employee that they are the subject of an investigation and the general nature of the allegations, unless doing so would jeopardize the integrity of the investigation.

B. Investigatory Interviews

1. Upon request, an employee has the right to a union representative at an investigatory interview called by the College, if the employee reasonably believes discipline could result. An employee may also have a union representative at a pre-disciplinary meeting. If the requested representative is not reasonably available, the employee will select another union representative who is available. An employee seeking union representation is responsible for contacting their union representative.

2. The role of the union representative in regard to College-initiated investigations is to provide assistance and counsel to the employee and not interfere with the College's right to conduct the investigation. Every effort will be made by the union representative to fully cooperate in the investigation.

- 30.7** An employee placed on an alternate assignment during an investigation will not be prohibited from contacting their union steward unless there is a conflict of interest, in which case the employee may contact another union steward. This does not preclude the College from restricting an employee's access to the College's premises.
- 30.8** Prior to imposing discipline or discharging an employee, except oral or written reprimands, the College will inform the employee and the union staff representative in writing of the reasons for the contemplated discipline and an explanation of the evidence, copies of written documents relied upon to take the action and the opportunity to view other evidence, if any. This information will be sent to the union staff representative on the same day it is provided to the employee. The employee will be provided an opportunity to respond either at a meeting scheduled by the College, or in writing if the employee prefers. An employee may have a union representative present at a pre-disciplinary meeting. It is the employee's obligation to arrange for such representative to be present. A pre-disciplinary meeting with the College will be considered time worked.
- 30.9** The College will provide an employee with fifteen (15) calendar days' written notice prior to the effective date of a suspension of greater than seven (7) calendar days. Upon mutual agreement, the employee may begin the suspension period before the end of the notice period.
- 30.10** The College will provide the Union with a copy of any disciplinary letters.
- 30.11 Terms of Employment**
Notification of exempt staff non-renewal of employment contract will occur prior to May 1, of the calendar year.

ARTICLE 31

GRIEVANCE PROCEDURE

- 31.1** The Union and the College agree that it is in their best interest to resolve disputes at the earliest opportunity and at the lowest level. Whenever possible, disputes should be resolved informally prior to filing a formal written grievance. To that end, all supervisors and employees are encouraged to engage in free and open discussions about disputes.
- 31.2 Terms and Requirements**
- A. Grievance Definition
A grievance is an allegation by an employee or a group of employees that there has been a violation, misapplication, or misinterpretation of this Agreement, which occurred during the term of this Agreement. The term "grievant" as used in this Article includes the term "grievants."

B. Filing a Grievance

Grievances may be filed by the Union on behalf of an employee or on behalf of a group of employees. The grievance will state the name of the employee or the names of all employees when filing a group grievance. The Union, as exclusive representative, is the only representative of the employee in grievance matters and has the right in a grievance to designate the Union person who will represent the grievant(s) on behalf of the Union. All grievances and requests for arbitration must be submitted to the College's Human Resources Office, by fax, hard copy, or electronic mail.

C. Computation of Time

Days are calendar days, and will be counted by excluding the first day and including the last day of timelines. When the last day falls on a Saturday, Sunday or holiday, the last day will be the next day which is not a Saturday, Sunday or holiday. Transmittal of grievances, appeals and responses will be in writing, and timelines will apply to the date of receipt, not the date of postmarking.

D. Failure to Meet Timelines

The time limits in this Article must be strictly adhered to unless mutually modified in writing. Failure by the Union to comply with the timelines will result in the automatic withdrawal of the grievance. Failure by the College to comply with the timelines will entitle the Union to move the grievance to the next step of the procedure.

E. Contents

The written grievance must include the following information or it will not be processed:

1. The date of the occurrence giving rise to the grievance or the date the grievant knew or could reasonably have known of the occurrence;
2. The nature of the grievance;
3. The facts upon which it is based;
4. The specific article(s) and section(s) of the Agreement allegedly violated;
5. The specific remedy requested;
6. The steps taken, if any, to informally resolve the grievance; and
7. The name and signature of the Union representative.

F. Modifications

No newly alleged violations may be made after the initial written grievance is filed, except by written mutual agreement.

- G. Resolution
If the College provides the requested remedy or a mutually agreed-upon alternative, the grievance will be considered resolved and may not be moved to the next step.
- H. Withdrawal
A grievance may be withdrawn at any time.
- I. Resubmission
If terminated, resolved or withdrawn, a grievance cannot be resubmitted.
- J. Release Time
Release time will be provided to the grievant(s) and the union steward during a grievance meeting with the College representative in accordance with Article 3, Union Rights and Activities.
- K. Group Grievances
No more than three (3) grievants will be permitted to attend a group grievance meeting.
- L. Consolidation
Grievances arising out of the same set of facts may be consolidated by written agreement.
- M. Bypass
Any of the steps in this procedure may be bypassed with mutual written consent of the parties involved at the time the bypass is sought.
- N. Initiation Level
Grievances will be initiated at the level at which the disputed action was taken.

31.3 Filing and Processing

- A. Filing
A grievance must be filed within twenty-eight (28) days of the occurrence giving rise to the grievance, or the date the grievant knew or could reasonably have known of the occurrence.

The twenty-eight (28) day period above should be used to attempt to informally resolve the dispute but will not extend the twenty-eight (28) days unless otherwise mutually agreed to by the College and the Union in writing. The union steward or staff representative will indicate when a discussion with the College is an attempt to informally resolve a dispute.
- B. Alternative Resolution Methods
Any time during the grievance process, by mutual consent, the parties may use alternative methods to resolve the dispute. If the parties agree to use alternative methods, the time frames in this Article are suspended.

If the selected alternative method does not result in a resolution, the Union may return to the grievance process and the time frames resume. Any expenses and fees of alternative methods will be shared equally by the parties. This provision applies to non-disciplinary grievances and disciplinary grievances on suspensions or discharges.

C. Processing

The Union and the College agree that in-person meetings are preferred as part of the grievance process and will make efforts to schedule in-person meetings, if possible.

Step 1: Supervisor, Manager, or Designee

If the issue is not resolved informally, the Union may file a written grievance with the Human Resources Office, within the twenty-eight (28) day period prescribed in Subsection 31.3.A. The appropriate supervisor, manager, or designee will meet in person or confer by telephone with a union steward and/or union staff representative and the grievant within fourteen (14) days of receipt of the grievance, and will respond in writing to the Union within fourteen (14) days after the meeting.

Step 2: Vice President or Designee

If the grievance is not resolved at Step 1, the Union may move the grievance to Step 2 by filing the written grievance, including a copy of the Step 1 decision, with the Human Resources Office, within fourteen (14) days of the Union's receipt of the Step 1 decision. The Vice President or designee will meet in person or confer by telephone with a union steward or union staff representative and the grievant within fourteen (14) days of receipt of the appeal, and will respond in writing to the Union within fourteen (14) days after the meeting.

Step 3: Arbitration

Should Step 2 fail to resolve the grievance, the Union may submit a written request to the College through the Human Resources Office to arbitrate the grievance within thirty (30) calendar days after its receipt of the Vice President or designee's Step 2 response. The parties will select an arbitrator by mutual agreement or by alternately striking names supplied by the American Arbitration Association (AAA). It is the Union's responsibility to simultaneously submit a written request for arbitration to the AAA and request that the Parties be provided with the names of seven (7) qualified arbitrators from the Washington/Oregon/Idaho area. The party exercising the first strike shall be the winner of a flip of a coin.

31.4 Arbitrability

Challenges to the arbitrability of a grievance shall be resolved in a proceeding separate from and prior to arbitration on the merits of the grievance. Within

fourteen (14) calendar days following receipt of an arbitrator's decision ruling that a challenged grievance is subject to arbitration, the parties will begin the process in Subsection 31.3 C to select an arbitrator to rule on the merits of the grievance.

31.5 Arbitration

- A. The arbitrator will:
 - 1. have no authority to rule contrary to, add to, subtract from, or modify any of the provisions of this Agreement;
 - 2. be limited in the decision to the grievance issue(s) set forth in the original written grievance unless the parties agree to modify it;
 - 3. not make any award that provides an employee with compensation greater than would have resulted had there been no violation of this agreement; and
 - 4. not have the authority to order the College to modify staffing levels or to direct staff to work overtime.

- B. Arbitration will take place in accord with the Labor Arbitration Rules of the AAA unless the parties agree otherwise in writing.

- C. The arbitrator shall issue a written decision to the parties within thirty (30) calendar days after the close of the hearing(s) or the submission of post-hearing briefs, whichever is later. The decision of the arbitrator shall be final, conclusive, and binding on the College, the Union, and the employee(s), provided that the decision does not include action by the arbitrator beyond his or her jurisdiction, as specified in Subsection A, above.

- D. Arbitration Costs
 - 1. The expenses and fees of the arbitrator and the cost (if any) of the hearing room will be shared equally between the Parties. If one party chooses to use a court reporter, the requesting party shall bear the costs associated with the court reporter. A copy will be provided to the arbitrator free of charge. The other party may obtain a copy of the court reporter's transcript by agreeing to share the cost of the court reporter at the time it makes the request for a copy of the transcript by paying half the costs incurred for that purpose.
 - 2. If the arbitration hearing is postponed or canceled because of one party, that party will bear the cost of the postponement or cancellation. The cost of any mutually agreed postponement or cancellation will be shared equally by the parties.

3. Each party is responsible for the costs of its staff representatives, attorneys, and all other costs related to the development and presentation of its grievance.

31.6 Successor Clause

Grievances filed during the term of this Agreement will be processed to completion in accordance with the provisions of this Agreement.

ARTICLE 32 SHARED SERVICES

32.1 The Union and the College acknowledge that there may be instances where the College might be able to expand operations and provide services to other state agencies or institutions of higher education. It is further acknowledged that such expansion may have a beneficial impact on the College and may mitigate the impacts of budgetary constraints. The College will consider proposals submitted to them from the Union.

32.2 The provisions of this article are not grievable.

ARTICLE 33 LAYOFF AND SENIORITY

33.1 Basis for Layoff

The College will determine the basis for, extent, and effective date of a layoff in accordance with the provisions of this Article. A layoff refers to the involuntary termination of employment because a regular position is eliminated for business-related reasons. In the event of a layoff, the President, reporting Vice-President and/or designee, in consultation with the Executive Human Resource Officer and/or designee, will determine the position(s) to be eliminated or subject to a furlough.

The basis for a layoff must be for business-related reasons and includes, but is not limited to, the following reasons:

- a. Lack of work
- b. Lack of funds
- c. Organizational change

33.2 Seniority Rights

A. When there are multiple incumbents assigned to the same position group as a position to be eliminated, the layoff will be applied to the least senior employee(s) in the position group, after voluntary layoffs, if any, are applied. Appendix A to this Agreement identifies position group for purposes of this Article. If new positions are added to the bargaining unit, the College will determine the placement of the new position in the

position group.

- B. To exercise seniority rights, an employee must be in “good standing.” Good standing means that within the one (1) year prior to a layoff, the employee has not received a disciplinary suspension and there is no open grievance on the matter. The written notice of suspension provided at the time of discipline will include notice of this impact on the employee’s seniority rights.

- C. The College may deviate from selecting the least senior employee in a position group only if the College can show that the performance of the least senior employee was substantially superior to the more senior employee, as reflected in the employees’ performance evaluations completed at least six (6) months prior to the layoff. Any deviation exercised under this subsection is subject to the grievance procedure.

- D. For purposes of this Article, seniority will be measured from an employee’s initial date of hire into a regular, non-student position for the most recent period of unbroken service at the College. Any ties in seniority shall be broken in the following order: (1) seniority within the position group; and (2) by lot.

- E. Adjustments to Seniority
All time spent in leave without pay status will be deducted from the calculation of seniority, except when the leave without pay is taken for:
 - 1. Military leave;
 - 2. Compensable work-related injury or illness leave;
 - 3. Governmental service leave;
 - 4. Reducing the effects of layoff;
 - 5. Union activities in accordance with Article 3, Union Rights and Activities;
 - 6. Temporary employment with the Union in accordance with Article 3, Union Rights and Activities;
 - 7. A temporary appointment with the College in accordance with Article 18.2.H;
 - 8. Formal contract negotiations in accordance with RCW 41.56; and/or
 - 9. Unpaid holidays for reason of Faith or Conscience, in accordance with Section 12.5 of Article 12 Holidays.

- F. Time spent on a temporary layoff or when an employee's work hours are reduced in accordance with Section 33.6 of Article 33, Layoff and Seniority, will not be deducted from the calculation of seniority.
- G. Employees who are separated from state service due to layoff and are reemployed from a layoff list or internal priority hiring consideration list will not be considered to have a break in service and the time employees are on these layoff lists will be treated as leave without pay.
- H. For the purposes of a layoff, a maximum of five (5) years' credit will be added to the seniority of permanent employees who are veterans or to their unmarried widows or widowers, as provided for in RCW 41.06.133 (1)(m).
- I. For employees who are separated due to disability and are reemployed within two (2) years, in accordance with Article 21, Reasonable Accommodation and Disability Separation, the time between separation and reemployment will be treated as leave without pay and will not be considered a break in service.

33.3 Seniority List

The College will prepare and post a seniority list. The list will be updated annually and will contain each employee's name, job classification and seniority date. Employees will have fourteen (14) calendar days in which to appeal their seniority date to the Human Resources Office, after which time the date will be presumed correct. A copy of the seniority list will be provided to the Union at the time of posting.

33.4 Layoff Position Group (Appendix A)

The College will publish and annually update Appendix A, RIF Position Group. A copy of the Appendix will be provided to the Union at the time it is published. In addition, the College will update Appendix A in accordance with Section 33.5 below, if appropriate.

33.5 Notice to the Union and Employee

When a position occupied by a member of the bargaining unit is subject to permanent layoff, the President, reporting Vice President, and/or designee, in consultation with the Executive Human Resource Officer and/or designee, will give written notice of the permanent layoff to the Union as soon as practical, but not less than thirty (30) calendar days' notice. Notice to the Union will include any changes to Appendix A, Layoff Position Group, since it was last published, for any position(s) impacted by potential layoff.

The affected employee will be given written notice at least thirty (30) calendar days before the effective date of any layoff. The written notice will contain the following information:

- a. Reasons or basis for the layoff,

- b. When applicable, notice to the employee of the employee's right to revert to classified service as provided by RCW 41.06.070 and/or internal classified layoff list, and
- c. When applicable, notice to the employee of any entitlement to request placement on the internal priority hiring consideration list, in accordance with Section 6.3.A.2 of Article 6 Hiring and Appointments. The Union will be provided with a copy of the notice to the affected employee. The Union will be given an opportunity to meet with affected employees prior to implementation of the effective date of any layoff. The College or the Union may request a Union-Management Committee meeting to discuss the layoff.

33.6 Voluntary Layoffs, Leave of Absence or Reduction in Hours

The President, reporting Vice President and/or designee, in consultation with the Executive Human Resource Officer and/or designee, may impose or authorize

alternative actions when the College believes such actions are practical and can be taken without undue disruption to business operations. Such actions may include, but are not limited to furloughs, reduced work schedules, and leave without pay; and hiring controls.

A. Employee Requests

To reduce the impact of a layoff, an employee may request a voluntary layoff, leave without pay, a reduction in compensation, reduction in hours of work, or movement to a funded, vacant exempt position for which the employee is qualified. If it is necessary to limit the number of employees who are on unpaid leave at the same time, the President, reporting Vice President, or designee, in consultation with the Executive Human Resource Officer and/or designee, will determine who will be granted a leave without pay and/or reduction in hours based upon business and staffing needs. The decision regarding whether to move an employee to a vacant exempt position is discretionary with the College.

B. Benefit Impact

When an employee is furloughed, subjected to a reduction in work schedule, or placed on leave without pay, the employee will not be entitled to be paid any leave balance when the action is due to financial exigency or financial emergency, as determined by the President. In such cases, entitlement to leave accrual and health care benefits during a temporary layoff may be addressed through a demand to bargain. The College will attempt to mitigate a loss of health benefits for any furloughed employees. When the action is for reasons other than financial exigency or financial emergency, upon the request of the employee, the employee will be paid for accrued vacation leave up to the equivalent of the employee's regular work schedule for the duration of the temporary layoff, and entitlement to leave accrual and health care benefits during the temporary layoff will be pursuant to existing benefit policies.

Employees will normally receive thirty (30) days' written notice prior to the effective date of an involuntary alternative to a permanent layoff.
