## WHY WORK AT SPSCC?

South Puget Sound Community College embraces the diversity of our changing community and strives to reflect that diversity in our staff, faculty and student body. We cultivate an inclusive environment on campus while ensuring respect for all. Candidates representing all aspects of diversity are encouraged to apply.

## MISSION AND VISION

South Puget Sound Community College's mission is to support student success in postsecondary academic transfer and workforce education that responds to the needs of the South Sound region. South Puget Sound Community College supports student success and builds prosperity by collaborating with leaders in industry, education, and our community to offer innovative, accessible, and affordable learning experiences. We employ devoted people who mirror the diversity of our community and contribute to an inclusive, welcoming environment. By investing in the creativity of our staff and faculty, we construct clear and compelling pathways that lead our students to successful outcomes on their educational journeys. We are fiscally strong and our mindful use of technology embedded in purposeful instruction helps students persist and achieve their academic goals. Our graduating class reflects the community we serve, and our students successfully transition from higher learning into the leaders and innovators of tomorrow.

## KEY RESPONSIBILITIES

South Puget Sound Community College seeks candidates for the 2018-2019 academic year to fill a full-time tenure track position in transitional and pre-calculus math. This position is scheduled to begin effective September 10, 2018.

Successful candidates will possess the interest, skills and abilities to help college teams lead the state in innovative and collaborative learning experiences designed to optimize student success. Successful candidates will exhibit the following qualities:

- Place student success at the center of all decision-making.
- Engage with students, faculty, staff and administrators to create a community of learners.
- Seek opportunities for teaching and learning excellence.
- Embrace change, risk-taking and innovation.
- Respect the richness of diverse cultural values, beliefs and practices of others.
- Contribute to the technical and general education of students who will apply learning to the world of work and transfer their education to a university.

## ESSENTIAL FUNCTIONS AND DUTIES

Faculty members will work with other faculty, staff, and administrators to:

- Teach courses for STEM and non-STEM majors ranging from basic math to trigonometry.
- Create and facilitate contextualized and integrated learning experiences in Math in relation to identified college pathways that are linked to career goals.
- Create authentic assessments of students' knowledge, skills, and abilities in Math that measure course, program, and college wide outcomes.
- Apply multiple teaching and learning strategies that promote the affective, cognitive and kinesthetic domains of learning.
- Teach online, hybrid, and/or e-Learning enhanced courses.
- Use local, state, and national data and analytics to continuously improve strategies for student success.

compensation programs. For health benefit information go to [Washington Health Care Authority](#).

#### COMPENSATION

Your paycheck is part of your total compensation package, with a benefits package worth about 30% of your salary.

#### SICK LEAVE

This position will accrue 7 hours of sick leave per month.

#### CONDITIONS OF EMPLOYMENT

This position is in the bargaining unit represented by the South Puget Sound Federation of Teachers, AFT/AFL-CIO, Local 4603. The security agreement with the Federation requires that, within 30 days of employment, all full-time professors either become members of the Federation and pay dues or declare their status as non-member fee payers, who pay a representation fee equal to the periodic dues.

#### EQUAL OPPORTUNITY EMPLOYER

South Puget Sound Community College is an equal opportunity/Affirmative Action employer and welcomes all qualified applicants. We strive to create a working environment that includes and respects cultural, racial, ethnic, sexual orientations and gender identity diversity. Women, racial and ethnic minorities, persons with disabilities, persons over 40 years of age, disabled and Vietnam era veterans and people of all sexual orientations and gender identities or any other legal protected status are encouraged to apply. SPSCC complies with the Americans with Disabilities Act. South Puget Sound Community College is a drug-free workplace. South Puget Sound Community College employs only U.S. citizens and aliens authorized to work in the United States. New employees must provide proof of identity and employment eligibility.

- Advise students regarding academic pathways and the courses needed to reach each student's academic goals.
- Use a wide range of learning resources, tools and technologies to improve access and student success in higher education.
- Serve on committees that support the shared governance of the college.

#### MINIMUM QUALIFICATIONS

- Master's degree in math or in math education.
- At least two years of experience teaching math as the instructor of record.
- Knowledge of and experience working with Learning Management Systems.

#### PREFERRED QUALIFICATIONS

- Experience teaching math in an open-admission college or university and knowledge of transfer and AA programs.
- Substantial experience teaching fully online or hybrid math courses.
- Experience developing and evaluating curricula for face-to-face and online environments at the course and program level.
- Knowledge of adult learning theory.
- Knowledge of outcomes and outcomes assessment.
- Evidence of innovative and diverse teaching methods.
- Evidence of ongoing professional development as an educator and scholar.
- Demonstrated ability to work collaboratively and effectively with colleagues and students of various cultural and socio-economic backgrounds, physical abilities, and levels of preparedness

#### HOW TO APPLY

Interested candidates may apply by submitting the following items:

1. [Completed SPSCC Employment Application](#)
2. Letter of formal application that addresses your ability to perform the responsibilities and competencies described in this announcement and please include a statement of how you would contribute to the diversity of this campus.
3. Resume of all educational and professional experience that demonstrates how you meet the minimum and any preferred qualifications.
4. Copies of unofficial transcripts.
