

Prepare for your Math WAMAP Assessment

STEP 1: Create your WAMAP Account

1. Go to www.wamap.org
2. Click on the **Register as a new student** link
3. Create a **Username & Password**
 - a. My Username: _____
 - b. My Password: _____
4. Fill out the rest of the information on the signup page. **You will not have a course ID to enter.** You can leave this part blank.

The screenshot shows the WAMAP.org registration page. At the top is the logo for wamap.org. Below the logo are two input fields: 'Username:' and 'Password:'. To the right of the 'Password:' field is a 'Login' button. Below these fields is a yellow button labeled 'Register as a new student'. At the bottom of the form are two links: 'Forgot Password' and 'Forgot Username'.

STEP 2: Add Test Prep Course

1. Log into your WAMAP account
2. Click on **Enroll in a New Class**
3. Enter in course ID **28378** and click Sign Up (note- there is no enrollment code)
4. You will now see “SPSCC Placement Test Prep” in your **My Classes** section
5. Choose the study prep exam for the exam you will be taking

These prep exams will give you sample problems similar to what you will see on the test and also includes some helpful YouTube videos to talk you through concepts you might need a refresher on.
